

# Boost sales by joining the most innovative preferred pharmacy provider network in Canada

We work with plan sponsors, insurance companies and employer groups to negotiate preferred pharmacy agreements.

## Rxnet makes it easier for patients to:

- Order and refill prescriptions
- Locate your pharmacy
- Identify services provided by your pharmacy

## Benefits

Rxnet negotiates preferred pharmacy agreements for patients via Benefit Plan Providers, Administrators, and Employer Groups.

### Plan Member

Access Rxnet via web, app, or text message  
Order and refill prescriptions  
Locate pharmacies and services  
10% discount on everyday pharmacy items

### Plan Sponsors

Canada wide coverage through our network  
Savings from capped dispensing fees and markups  
Specialty drug reimbursement services

## As a PPN member your independent pharmacy will enjoy:

- Access to a growing list of clients
- Over 100,000 plan members that currently are part of Rxnet
- Regional exclusivity with a limited number of available opportunities by community
